

## THE PROMISES

If we are painstaking about this phase of our development, we will be amazed before we are half way through. We are going to know a new freedom and a new happiness. We will not regret the past nor wish to shut the door on it. We will comprehend the word serenity and we will know peace. No matter how far down the scale we have gone, we will see how our experience can benefit others. That feeling of uselessness and self-pity will slip away. Our whole attitude and outlook upon life will change. Fear of people and economic insecurity will leave us. We will intuitively know how to handle situations which used to baffle us. We will suddenly realize that God is doing for us what we could not do for ourselves.

Are these extravagant promises? We think not. They are being fulfilled for us —sometimes quickly, sometimes slowly. They will always materialize if we work for them.

### THE OA PREAMBLE

Overeaters Anonymous is a fellowship of individuals who, through shared experiences, strength and hope, are recovering from compulsive overeating. We Welcome everyone who wants to stop eating compulsively. There are no dues or fees for members; we are self supporting through our own contributions, neither soliciting nor accepting outside contributions. OA is not affiliated with any public or private organization, political movement, ideology or religious doctrine; we take no position on outside issues. Our primary purpose is to abstain from compulsive overeating and to carry the message of recovery to those who still suffer.
