Tradition 7

Every OA group ought to be fully self-supporting, declining outside contributions.

“When individual groups join to form an intergroup, opportunities to carry the OA message multiply but so do expenses.” (OA 12 & 12)

Our intergroup has been financially able these last few years to carry the message through various means. We have had ads on placemats at local restaurants, having a booth at St. Pete College, having a table at *Christmas Under The Oaks*, sent delegates to WSBC and representatives to Region 8 Assemblies. We are now working toward hosting an Assembly November 2011 for Region 8. At Intergroup we are always looking at ways to cut our expenses and increase donation/fundraising. We have gone “GREEN” with the newspages. Newspages can be downloaded from the website and printed if needed for each meeting.

The 7th tradition is not just about money but also service. Not everyone can give \$2-\$3 a meeting but all can do service. I encourage every meeting to send a representative to Intergroup, 6:30PM 3rd Friday of the month at Morton Plant Hospital 1st floor Tuttle across from the cafeteria, (where else would we be?). Do you have a good/great idea to raise funds and awareness? Do you want to work/have fun creating a proposal for November Assembly? Do you want to be a part of something that is rewarding personally and strengthening of your program? Come to intergroup see how we work, have fun and help us reach out to all of Pinellas County.

Respectfully submitted

Karen C., Chairman PTI
